*Our Students and Staff Believe in Quality Education*

Dear Parents:

If your child has asthma and uses self-administered medication (an inhaler, for example), the school is required to have an authorization form on file. The form has to be filled out by the student's parent/guardian and his/her doctor. These forms are available at the school office. The office hours are 8 a.m. to 4 p.m. Monday through Friday.

Sincerely,

Nashua School
